

# THE ONLY COMPLETE ORDER TO CASH PLATFORM IN THE CLOUD

YOU DO SO MUCH MORE THAN BILLING. WHY DOESN'T YOUR BILLING PLATFORM?

## IMPROVED OUTCOMES FROM DAY ONE

### MOVE TO THE CLOUD

with enterprise level capabilities for medium and large enterprise businesses

### REDUCE TCO AND TTM

by eliminating expensive 3rd party licenses, support licenses, and database licenses

### INCREASE FLEXIBILITY

with extensive deployment options: choice of cloud provider + single or multi-tenant + public, private or hybrid cloud

### IMPROVE SECURITY

through a dedicated vault with standard key rotation policies, plus advanced encryption and PCI compliance

### STREAMLINE UI AND UX

with self-care and agent-care capacity that various roles can access from the same UI
